Hello everyone,
It's time again to ask for CAFO permit numbers. Please update the attached table [2013 EOY CAFO permit actions] with your current CAFO permit numbers. The attached table includes the end of FY13 numbers you provided this past October.

As a reminder, the yellow highlighted columns should include total numbers and the columns not highlighted should include numbers for applications and actions in federal FY14.

PLEASE RETURN YOUR UPDATE BY FEBRUARY 14, 2014.

FYI... from now until early August 2014, I will be on a detail to another branch of the R5 Water Division, therefore, my primary workload will not include CAFO related matters. Feel free to include me on any emails or inquiries you may have between now and August. If I cannot quickly address your email/inquiry I will find someone in the NPDES branch that can. You should also include Kathy Kowal (NPDES acting supervisor) on any email inquiries or matters related to CAFOs. Kathy's contact information is below.

Please return your permit numbers in reply to this email to my attention and I will forward them to the appropriate person in the NPDES branch.

Dan, any matters relating to the IL Work Plan Agreement (such as CAFO tracker or rulemaking issues) continue to send to my attention but also please add Kathy Kowal and Kevin Pierard as a courtesy copies on the email.

Thanks

julianne
